2 Seas Applicant Seminar for UK Applicants – 4rd Call for Proposals

27 January 2017

Bristol

About this seminar

This seminar is organised for all potential future applicants in the 2 Seas Programme and especially those aiming to participate in the 4th Call for proposals that runs from 1st December 2016 and closes on 1st March 2017.

In the morning, we will cover what the 2 Seas Programme is about. Then we will go through the core elements of project development and what to think about before filling in the Concept Note (step 1 application). Next, we will work on the Concept Notes themselves.

If you are new to Interreg, or are confused about which programme is which, or if you are just beginning to develop a project idea, and you are based in Dorset, Hampshire, Isle of Wight or Wiltshire, we have another workshop which might suit you too. It is in Bournemouth on 21 February. Further info from p.maclachlan@interreg2seas.eu.

If you have already put in a step 1 ('Concept Note') application and want to move onto the step 2 (full Application Form) stage, then there is another workshop for you too. It is in Bristol on 13 February.
