PROFIT – PROfessional Framework for Innovation in Tourism

Innovating in
market niches

PROFIT – 01/01/16 – 01/01/22

The overall objective of PROFIT is to raise the profitability of the tourism entrepreneurs in the 2 Seas coastal economies by developing a strategy for innovation. By working on cross-border level, we create a critical mass to deliver framework conditions to improve innovation within these businesses.

QUALIFY – Enabling Qualification of Hybrid Structures for Lightweight and Safe Maritime Transport

Innovating in
market niches

Interreg 
2 Seas Mers Zeeën
European Regional Development Fund

QUALIFY – 14/08/2017 – 31/07/2020

The QUALIFY project aims to remove the technological and regulatory barriers that currently prevent the widespread application of hybrid structures (metal/composite) in the industry. It will deliver the knowledge and the guidelines that the industry needs to pursue certification of adhesively bonded hybrid joints for primary structures in marine applications.

MET-CERTIFIED – Development of International Standards and Certification schemes for Marine Energy Technologies

Innovating in
market niches

Interreg 
2 Seas Mers Zeeën
European Regional Development Fund

MET-CERTIFIED – 01/09/2016 – 31/12/2019

MET CERTIFIED brings together stakeholders across the 2 Seas region in a coordinated effort to demonstrate the first internationally recognised certified tidal power technologies for both floating and dam integrated markets in the 2 Seas region by 2019.
